Pamela,

Ref: Post-Mining Drainage Profiles (Plates 7-8), Bear Canyon Mine,  
Co-Op Mining Company, ACT/015/025, Emery County, Utah

Attached with this letter are four copies of the referenced Plates 7-8A and 7-8B. These plates are a significant improvement over the previous plate 7-8.

I will be in contact with you on Tuesday 28 May 1991 and I recommend that we set up an appointment for later in the week to go over the MRP. I will be happy to assist you in coordinating all of the recent updates.

Thank you,
